Example: John 3:16 - For **God so loved the world** that he gave his one and only son, that whoever believes in him shall not perish but have eternal life.

Adoration - What does this truth tell me about God and his Character?

This shows me that God's love is more far-reaching than I could imagine. He loves not just me or my family, but the entire world. He loves people who I hate, he loves the worst person in the world because he is love! God your love is so great!

Confession - What does this truth show me to confess?

I don't love the world like God loves the world. I am sorry for not loving everyone. I am sorry for how selfish my love often is.

Thanksgiving - What does this truth show me to thank God for?

God! I thank you that the world includes me! Someone who doesn't love as nearly as much as I should, and yet you still love me.

Supplication - What does this truth show me to ask God for?

God, I want to be able to love the people in "my world" like you love them and me. Help me be like your son, Jesus, and let my love be selfless, other-focused, and always looking out for the good of others before myself.
